**ART BASEL BRINGS TOGETHER
THE MOST IMPORTANT ELEMENTS
OF MODERN ART, PHOTOGRAPHY
AND DESIGN.**

In the week of *Art Basel*, the abundant offer for art lovers is even more extensive. Various associated activities such as *Liste*, *Photo Basel* and *Design Miami* enrich the city of Basel with spectacular exhibits. *Photo Basel* is an international photography fair; the art fair *Liste* is a platform for galleries with less than five years of experience that exhibit pieces from artists under 40 years of age; and *Design Miami* is one of the most important fairs that is celebrated in parallel with the main fair, *Art Basel*. Specifically, *Design Miami* is a global forum for the design sector. It brings together the best and most influential collectors, gallerists, designers, curators and critics from all over the world.
